# University Ss Cyril and Methodius

- The Ss. Cyril and Methodius University in Skopje is the first state University in the Republic of Macedonia, founded in 1949.
- Now the university consists of
- 21 faculties,
- 5 research institutes and
- 11 accompanying members.

# UKIM study and research programs

- All scientific fields - social, technical, natural sciences, mathematics, medical, bio technical sciences and arts, whereas except for the faculties
- Independent research institutes as an integral part of the University.
- The overall activities include sport, artistic, informative, and other activities organized within many associations, clubs etc.

# UKIM figures

---

- around 50.000 enrolled students from Republic of Macedonia in all cycles of studies, as well as over 700 foreign students;
- over 2.700 teaching, research and associate academic staff at the faculties and at the institutes.
