The request must be submitted to the Agency by the co-ordinator by giving 60 days written notice stating the reasons and including the remaining beneficiaries' proposal to reallocate the tasks of that beneficiary or where relevant to nominate a replacement. Agreement on the grounds of Article II.11.3, if no reasons are given or if the Agency does not accept the reasons, the participation shall be deemed to have been terminated improperly, with the consequences set out in the fifth subparagraph of paragraph 5.

In the cases foreseen in a) and b) above, the termination of the participation of the beneficiary concerned shall take effect on the date of the Agency's approval. A written supplementary agreement shall be concluded to make any amendments necessary to adapt the action to the new implementing conditions resulting from the partial termination.

II.11.3 Termination by the Agency

The Agency may decide to terminate the Agreement or the participation of one or several beneficiaries participating in the action, without any indemnity on its part, in the following circumstances:

- (a) in the event of a change to any of the beneficiaries legal, financial, technical, organisational or ownership situation that is liable to affect the Agreement substantially or to call into question the decision to award the grant;
- (b) if one or more beneficiaries fail(s) to fulfil a substantial obligation incumbent on him(them) under the terms of the Agreement, including its Annexes;
- (c) in the event of force majeure, notified in accordance with Article II.8, or if the action has been suspended as a result of exceptional circumstances, notified in accordance with Article II.7;

- (e) where the Agency has evidence or seriously suspects a beneficiary or any related entity or person, of professional misconduct;

II.11.4 Termination procedure

The termination procedure is initiated by registered letter with acknowledgement of receipt or equivalent. In the case of termination of the participation of a beneficiary, this letter is sent to the beneficiary concerned, with copy to the co-ordinator. In the case of termination of the Agreement, the letter is sent to the co-ordinator. In either case, the co-ordinator shall ensure that all the co-beneficiaries are duly informed.

Where notice is given, termination shall take effect at the end of the period of notice, which shall start to run from the date when notification of the Agency's decision to terminate the Agreement or the participation of a beneficiary is received.

If notice is not given in the cases referred to in points (c), (f) and (i) above, termination shall take effect from the day following the date on which notification of the Agency's decision to terminate the Agreement or the participation of a beneficiary is received.

II.11.5 Effects of termination

In the event of termination of the Agreement, payments by the Agency shall be limited to the eligible costs actually incurred by the beneficiaries up to the date when termination takes effect, in accordance with Article II.17. Costs relating to current commitments that are not due to be executed until after termination shall not be taken into account.

The co-ordinator shall have 60 days from the date when termination of the Agreement takes effect to produce a request for final payment in accordance with Article II.15.4. If no request for final payment is received within this time limit, the Agency shall not reimburse the expenditure incurred by the beneficiaries up to the date of termination and it shall recover any amount, if its use is not substantiated by the technical implementation reports and financial statements approved by the Agency.

Where termination affects the participation of a beneficiary, only those eligible costs actually incurred by the beneficiary concerned up to the date when termination of his participation takes effect shall be considered eligible in accordance with Article II.17. Costs relating to current commitments that were not due to be executed until after termination shall not be taken into account. The request for payment of the eligible costs incurred up to the date when the termination of the participation of the beneficiary concerned takes effect shall be included in the following payment request due according to the schedule laid down in Article I.6.

By way of exception, at the end of the period of notice referred to in paragraph 4, where the Agency is terminating the Agreement on the grounds that the co-ordinator has failed to produce the final technical implementation report and financial statement within the deadline stipulated in Article I.5 and the co-ordinator has still not complied with this obligation within two months following the written reminder sent by the Agency by registered letter with acknowledgement of receipt or equivalent, the Agency shall not reimburse the expenditure incurred by the beneficiaries up to the date on which the action ended and it shall recover any amount if its use is not substantiated by the technical implementation reports and financial statements approved by the Agency.

By way of exception, in the event of improper termination of the Agreement by the co-ordinator or a beneficiary's participation in the action, or termination by the Agency on the grounds set out in points (a), (e), (g), (h) or (i) above, the Agency may require the partial or total repayment of sums already paid under the Agreement on the basis of technical implementation reports and financial statements approved by the Agency, in proportion to the gravity of the failings in question and after allowing the co-ordinator, and where relevant co-beneficiaries concerned, to submit his/their observations.

ARTICLE II.12 - FINANCIAL PENALTIES

I.12.1 By virtue of the Financial Regulation applicable to the General Budget of the European Union, any one or several of the beneficiaries declared to be in grave breach of their obligations under the Agreement shall be liable to financial penalties of between 2% and 10% of the value of their share of the grant in question, with due regard for the principle of proportionality.

I.12.2 This rate may be increased to between 4% and 20% in the event of a repeated breach in the five years following the establishment of the first.

I.12.3 The beneficiary concerned shall be notified in writing of any decision by the Agency to apply such financial penalties.

ARTICLE II.13 - SUPPLEMENTARY AGREEMENTS

- II.13.1 Any amendment to the grant conditions must be the subject of a written supplementary agreement. No oral agreement may bind the parties to this effect.
- II.13.2 The supplementary agreement may not have the purpose or the effect of making changes to the agreement which might call into question the decision awarding the grant or result in unequal treatment of applicants.
- II.13.3 If the request for amendment is made by the co-ordinator, in agreement with the co-beneficiaries, he must send the request to the Agency in good time before it is due to take effect and at all events one month before the closing date of the action, except in cases duly substantiated by the beneficiary and accepted by the Agency.

PART B - FINANCIAL PROVISIONS

ARTICLE II.14 - ELIGIBLE COSTS

II.14.1 Eligible costs of the action are costs actually incurred by a beneficiary, which meet the following criteria:

- they are incurred during the duration of the action as specified in Article I.2.2 of the Agreement, with the exception of costs relating to final reports and external audit reports on the action's financial statements and underlying accounts;
- they are connected with the subject of the Agreement and they are indicated in the estimated overall budget of the action;
- they are necessary for the implementation of the action which is the subject of the grant;
- they are identifiable and verifiable, in particular being recorded in the accounting records of a beneficiary and determined according to the applicable accounting standards of the country where the beneficiary is established and according to the usual cost-accounting practices of the beneficiary;
- they comply with the requirements of applicable tax and social legislation;
- they are reasonable, justified, and comply with the requirements of sound financial management, in particular regarding economy and efficiency.

The beneficiaries' accounting and internal auditing procedures must permit direct reconciliation of the costs and revenue declared in respect of the action with the corresponding accounting statements and supporting documents.

II.14.2 The eligible direct costs for the action are those costs which, with due regard for the conditions of eligibility set out in Article II.14.1, are identifiable as specific costs directly linked to the performance of the action and which can therefore be booked to it direct. In particular, the following direct costs are eligible provided that they satisfy the criteria set out in the previous paragraph:

- the cost of staff assigned to the action, comprising actual salaries plus social security charges and other statutory costs included in the remuneration, provided that this does not exceed the average rates corresponding to the beneficiary's usual policy on remuneration.

The corresponding salary costs of personnel of national administrations are eligible to the extent that they relate to the cost of activities which the relevant public authority would not carry out if the action concerned were not undertaken;

- travel and subsistence allowances for staff taking part in the action, provided that they are in line with the beneficiary's usual practices on travel costs or do not exceed the scales approved annually by the Commission;
- the purchase cost of equipment (new or second-hand), provided that it is written off in accordance with the tax and accounting rules applicable to the beneficiary and generally accepted for items of the same kind. Only the portion of the equipment's depreciation corresponding to the duration of the action and the rate of actual use for the purposes of the action may be taken into account by the Agency, except where the nature and/or the context of its use justifies different treatment by the Agency;
- costs of consumables and supplies, provided that they are identifiable and assigned to the action;
- costs entailed by other contracts awarded by a beneficiary for the purposes of carrying out the action, provided that the conditions laid down in Article II.9 are met;
- costs arising directly from requirements imposed by the Agreement (dissemination of information, specific evaluation of the action, audits, translations, reproduction, etc.), including the costs of any financial services (especially the cost of financial guarantees). Such costs may also include specific costs incurred by the co-ordinator for fulfilling his responsibilities in his capability of the body responsible for the overall management of the action and the co-ordination of the beneficiaries.

II.14.3 The eligible indirect costs for the action are those costs which, with due regard for the conditions of eligibility described in Article II.14.1, are not identifiable as specific costs directly linked to performance of the action which can be booked to it direct, but which can be identified and justified by the co-ordinator or a co-beneficiary using their accounting system as having been incurred in connection with the eligible direct costs for the action. They may not include any eligible direct costs.

By way of derogation from Article II.14.1, the indirect costs incurred in carrying out the action may be eligible for flat-rate funding fixed at not more than 7% of the total eligible direct costs. If provision is made in Article I.4.2 for flat-rate funding in respect of indirect costs, they need not be supported by accounting documents.

II.14.4 The following costs shall not be considered eligible:

- return on capital;
- debt and debt service charges;
- provisions for losses or potential future liabilities;
- interest owed;
- doubtful debts;
- exchange losses;
- VAT, unless the beneficiary can show that he is unable to recover it according to the applicable national legislation;
- costs declared by a beneficiary and covered by another action or work programme receiving a European Union grant;
- excessive or reckless expenditure.

II.14.5 Contributions in kind shall not constitute eligible costs. However, the Agency can accept, if considered necessary and appropriate, that the co-financing of the action referred to in Article I.4.3 should be made up entirely or in part of contributions in kind. In this case, the value calculated for such contributions must not exceed:

- the costs actually borne and duly supported by accounting documents of the third parties who made these contributions to the beneficiary free of charge but bear the corresponding costs;
- the costs generally accepted on the market in question for the type of contribution concerned when no costs are borne.

Contributions involving buildings shall not be covered by this possibility.

In the case of co-financing in kind, a financial value shall be placed on the contributions and the same amount will be included in the costs of the action as ineligible costs and in receipts from the action as co-financing in kind. The beneficiary shall undertake to obtain these contributions as provided for in the Agreement.

II.14.6 By way of derogation from paragraph 3, indirect costs shall not be eligible under a grant for an action awarded to a beneficiary who already receives an operating grant from the Agency and/or the Commission during the period in question.

ARTICLE II.15 - REQUESTS FOR PAYMENT

Payments shall be made in accordance with Article I.5 of the Agreement.

II.15.1 Pre-financing

Pre-financing is intended to provide the beneficiaries with a float.

Where required by the provisions of Article I.5, the co-ordinator shall provide a financial guarantee from a bank or an approved financial institution established in one of the Member States of the European Union.

The guarantor shall stand as first call guarantor and shall not require the Agency to have recourse against the principal debtor.

The financial guarantee shall remain in force until final payments by the Agency match the proportion of the total grant accounted for by pre-financing. The Agency undertakes to release the guarantee within 30 days following that date.

II.15.2 Further pre-financing payment

Where pre-financing is divided into several instalments, the co-ordinator may request a further pre-financing payment once the percentage of the previous payment specified in the provisions of Article I.5 on further pre-financing has been used up. The request shall be accompanied by the following documents:

- a detailed statement of the eligible costs actually incurred;
- where required by the above-mentioned provisions of Article I.5, a financial guarantee in accordance with paragraph 1;
- where required by the above-mentioned provisions of Article I.5, an external audit report on the action's financial statements and underlying accounts, produced by an approved auditor or in case of public bodies, by a competent and independent public officer;
- an updated report on the distribution of the European Union financial contribution between the beneficiaries, including dates of transfer;
- any other documents in support of his request that may be required in support of the request for further pre-financing payments.

The documents accompanying the request for payment shall be drawn up in accordance with the relevant provisions in Article I.6 and the Annexes.

II.15.3 Interim payments

Interim payments are intended to reimburse the beneficiaries for expenditure on the basis of a detailed statement of the costs incurred, once the action has reached a certain level of completion. It may clear all or part of any pre-financing.

By the appropriate deadline indicated in Article I.6, the co-ordinator shall submit a request for interim payment accompanied by the following documents:

- an interim report on implementation of the action;
- an interim financial statement of the eligible costs actually incurred, following the structure of the estimated budget;
- where required by the provisions of Article I.5 on interim payment, an external audit report on the action's financial statements and underlying accounts, produced by an approved auditor or in case of public bodies, by a competent and independent public officer. The external audit report shall certify, in accordance with a methodology approved by the Agency, that the costs declared by the beneficiary in the financial statements on which the request of payment is based are real, accurately recorded and eligible and that all receipts have been declared, in accordance with the Agreement;
- an updated report on the distribution of the European Union financial contribution between the beneficiaries, including dates of transfer.

The documents accompanying the request for payment shall be drawn up in accordance with the relevant provisions in Article I.6 and the Annexes. The co-ordinator shall certify that the information provided in his request for payment is full, reliable and true. He shall also certify that the costs incurred can be considered eligible in accordance with the Agreement, that all receipts have been declared, and that the request for payment is substantiated by adequate supporting documents that can be checked.

On receipt of these documents, the Agency shall have the period specified in Article I.5 in order to:

- approve the interim report on implementation of the action and the interim financial statement;
- ask the co-ordinator for supporting documents or any additional information it deems necessary to allow the approval of the reports;
- reject the report(s) and ask for the submission of (a) new report(s).

Failing a written reply from the Agency within the time limit for scrutiny indicated above, the report shall be deemed to have been approved. Approval of the reports accompanying the request for payment shall not imply

recognition of the regularity or of the authenticity, completeness and correctness of the declarations and information they contain.

If additional information or (a) new report(s) is (are) requested, the time limit for scrutiny shall be extended by the time it takes to obtain this information. The co-ordinator shall be informed of that request and the extension of the delay for scrutiny by means of a formal document. The co-ordinator shall have the period laid down in Article I.5 to submit the information or new documents requested.

Extension of the delay for approval of the report(s) may delay the payment by the equivalent time.

Where a report is rejected, as not admissible, within 30 days of receipt, and a new report requested, the approval procedure described in this article shall apply.

In the event of renewed rejection, the Agency reserves the right to terminate the Agreement by invoking Article II.11.3 (b).

II.15.4 Payment of the balance

Payment of the balance, which may not be repeated, is made after the end of the action on the basis of the costs actually incurred by the beneficiaries in carrying out the action. It may take the form of a recovery order where the total amount of earlier payments is greater than the amount of the final grant determined in accordance with Article II.17.

By the appropriate deadline indicated in Article I.6, the co-ordinator shall submit a request for payment of the balance accompanied by the following documents:

- a final report on the implementation of the action;
- a final financial statement of the eligible costs actually incurred, following the structure of the estimated budget;
- a full summary statement of the receipts and expenditure of the action;
- where required by the provisions of Article I.5 on payment of the balance, an external audit report on the action's financial statements and underlying accounts, produced by an approved auditor, or in case of public bodies by a competent and independent public officer. The external audit report shall certify, in accordance with a methodology approved by the Agency, that the costs declared by the beneficiaries in the financial statements on which the request of payment is based are real, accurately recorded and eligible and that all receipts have been declared, in accordance with the Agreement;
- an updated report on the distribution of the European Union financial contribution between the beneficiaries, including dates of transfer.

The documents accompanying the request for payment shall be drawn up in accordance with the provisions of Article I.6 and the Annexes. The co-ordinator shall certify that the information provided in his request for payment is full, reliable and true. He shall also certify that the costs incurred can be considered eligible in accordance with the Agreement, that all receipts have been declared, and that his request for payment is substantiated by adequate supporting documents that can be checked.

On receipt of these documents, the Agency shall have the period specified in Article I.5 in order to:

- approve the final report on implementation of the action and the final financial statement;
- ask the co-ordinator for supporting documents or any additional information it deems necessary to allow the approval of the reports;
- reject the report and ask for the submission of (a) new report(s).

Failing a written reply from the Agency within the time limit for scrutiny indicated above, the reports shall be deemed to have been approved. Approval of the reports accompanying the request for payment shall not imply recognition of the regularity or of the authenticity, completeness and correctness of the declarations and information they contain.

Requests for additional information or a new report shall be notified to the beneficiary in writing.

If additional information or (a) new report(s) is (are) requested, the time limit for scrutiny shall be extended by the time it takes to obtain this information. The co-ordinator shall be informed of that request and the extension

of the delay for scrutiny by means of a formal document. The co-ordinator shall have the period laid down in Article I.5 to submit the information or new documents requested.

Extension of the delay for approval of the report(s) may delay the payment by the equivalent time.

Where a report is rejected, as not admissible, within 30 days of receipt, and a new report requested, the approval procedure described in this article shall apply.

In the event of renewed rejection, the Agency reserves the right to terminate the Agreement by invoking Article II.11.3 (b).

ARTICLE II.16 -GENERAL PROVISIONS ON PAYMENTS

II.16.1 Payments shall be made by the Agency in euros. Any conversion of actual costs into euros shall be made at the daily rate published in the Official Journal of the European Union or, failing that, at the monthly accounting rate established by the Commission and published on its website applicable on the day when the payment order is issued by the Agency, unless the Special Conditions of the Agreement lay down specific provisions.

Payments by the Agency shall be deemed to be effected on the date when they are debited to the Commission's account.

II.16.2 The Agency may suspend the period for payment laid down in Article I.5 at any time for the purposes of additional checks by notifying the co-ordinator that his request for payment cannot be met, either because it does not comply with the provisions of the Agreement, or because the appropriate supporting documents have not been produced or because there is a suspicion that some of the expenses in the financial statement are not eligible.

The Agency may also suspend its payments at any time if a beneficiary is found or presumed to have infringed the provisions of the Agreement, in particular in the wake of the audits and checks provided for in Article II.19.

The Agency may also suspend its payments:

- if there is a suspicion of irregularity committed by a beneficiary in the implementation of the Grant Agreement;
- if there is a suspected or established irregularity committed by a beneficiary in the implementation of another Grant Agreement or grant decision funded by the General Budget of the European Union or by any other budget managed by them. In such cases, suspension of the payments will only proceed where the suspected or established irregularity can affect the implementation of the current Grant Agreement.

The Agency shall inform the co-ordinator in writing as soon as possible of any such suspension, setting out the reasons for suspension.

Suspension shall take effect on the date when notice is sent by the Agency. The remaining payment period shall start to run again from the date when a properly constituted request for payment is registered, when the supporting documents requested are received, or at the end of the suspension period as notified by the Agency.

II.16.3 On expiry of the period for payment specified in Article I.5, and without prejudice to paragraph 2 of this Article, the beneficiaries are entitled to interest on the late payment at the rate applied by the European Central Bank for its main refinancing operations in euros, plus three and a half points; the reference rate to which the increase applies shall be the rate in force on the first day of the month of the final date for payment, as published in the C series of the Official Journal of the European Union. This provision shall not apply to recipients of a grant which are public authorities of the Member States of the European Union.

Interest on late payment shall cover the period from the final date for payment, exclusive, up to the date of payment as defined in paragraph 1, inclusive. The interest shall not be treated as a receipt for the

action for the purposes of determining the final grant within the meaning of Article II.17.4. The suspension of payment by the Agency may not be considered as late payment.

By way of exception, when the interest calculated in accordance with the provisions of the first and second subparagraphs is lower than or equal to EUR 200, it shall be paid to the co-ordinator only upon demand submitted within two months of receiving late payment.

- II.16.4 The Agency shall deduct the interest yielded by pre-financing which exceeds EUR 50 000 as provided for in Article I.5 from the payment of the balance of the amount due to the beneficiaries. The interest shall not be treated as a receipt for the action within the meaning of Article II.17.4.

Where the pre-financing payments exceed EUR 750 000 per Agreement at the end of each financial year, the interest shall be recovered for each reporting period. Taking account of the risks associated with the management environment and the nature of actions financed, the Agency may recover the interest generated by pre-financing lower than EUR 750 000 at least once a year.

Where the interest yielded exceeds the balance of the amount due to the beneficiaries as indicated in Article II.15.4, or is generated by pre-financing referred to in the previous subparagraph, the Agency shall recover it in accordance with Article II.18.

Interest yielded by pre-financing paid to Member States is not due to the Agency.

- II.16.5 The co-ordinator shall have two months from the date of notification by the Agency of the final amount of the grant determining the amount of the payment of the balance or the recovery order pursuant to Article II.17 or, failing that, of the date on which the payment of the balance was received, to request information in writing on the determination of the final grant, giving reasons for any disagreement. After this time such requests will no longer be considered. The Agency undertakes to reply in writing within two months following the date on which the request for information is received, giving reasons for its reply.

This procedure is without prejudice to the beneficiaries' right to appeal against the Agency's decision pursuant to Article I.9. Under the terms of Union legislation in this matter, such appeals must be lodged within two months following the notification of the decision to the applicant or, failing that, following the date on which the applicant learned of the decision.

ARTICLE II.17 - DETERMINING THE FINAL GRANT

- II.17.1 Without prejudice to information obtained subsequently pursuant to Article II.19, the Agency shall adopt the amount of the final payment to be granted to the beneficiaries on the basis of the documents referred to in Article II.15.4 which it has approved.

- II.17.2 The total amount paid to the beneficiaries by the Agency may not in any circumstances exceed the maximum amount of the grant laid down in Article I.4.3, even if the total actual eligible costs exceed the estimated total eligible costs specified in Article I.4.2.

- II.17.3 If the total actual eligible costs when the action ends are lower than the estimated total eligible costs, the European Union's contribution shall be limited to the amount obtained by applying the European Union grant percentage specified in Article I.4.3 to the actual eligible costs approved by the Agency.

- II.17.4 The beneficiaries hereby agree that the grant shall be limited to the amount necessary to balance the action's receipts and expenditure and that it may not in any circumstances produce a profit for them.

Profit shall mean any surplus of total actual receipts attributable to the action over the total actual costs of the action. The actual receipts to be taken into account shall be those which have been established, generated or confirmed on the date on which the request for payment of the balance is drawn up by the co-ordinator for financing other than the European Union grant, to which shall be added the amount of the grant determined by applying the principles laid down in paragraphs 2 and 3 of this article. For the purposes of this article, only actual costs falling within the categories set out in the estimated budget referred to in Article I.4.1 and contained in Annex II shall be taken into account; non-eligible costs shall always be covered by non-Union resources.

Any surplus determined in this way shall result in a corresponding reduction in the amount of the grant.

- II.17.5 Without prejudice to the right to terminate the Agreement under Article II.11, and without prejudice to the right of the Agency to apply the penalties referred to in Article II.12, if the action is not implemented or is implemented poorly, partially or late, the Agency may reduce the grant initially provided for in line with the actual implementation of the action on the terms laid down in this Agreement.
- II.17.6 On the basis of the amount of the final payment determined in this way and of the aggregate amount of the payments already made under the terms of the Agreement, the Agency shall set the amount of the payment of the balance as being the amount still owing to the beneficiaries. Where the aggregate amount of the payments already made exceeds the amount of the final grant, the Agency shall issue a recovery order for the surplus.

ARTICLE II.18 - RECOVERY

- II.18.1 Where an amount, paid by the Agency to the co-ordinator in his capacity of recipient of all payments, is to be recovered under the terms of the Agreement, the co-ordinator undertakes to repay the Agency, on the account indicated by the latter, the sum in question, on whatever terms and by whatever date it may specify, even if he has not been the final recipient of the amount due. In the latter case, if payment has not been made by the due date, the Agency reserves the right to recover directly the amount due from the final recipients proportionally to the amount of the financial contribution effectively received by each of them.

Where such an amount to be recovered under the terms of the Agreement was directly paid by the Agency to a beneficiary, or if recovery is justified under Article II.12 of the Agreement, the beneficiary concerned undertakes to pay the Agency the sum in question, on whatever terms and by whatever date it may specify.

- II.18.2 If the obligation to pay the amount due is not honoured by the date set by the Agency, the amount due shall bear interest at the rate indicated in Article II.16.3. Interest on late payment shall cover the period between the date set for payment, exclusive, and the date when the Commission receives full payment of the amount owed, inclusive.

Any partial payment shall first be entered against charges and interest on late payment and then against the principal.

- II.18.3 If payment has not been made by the due date, sums owed to the Agency may be recovered by offsetting them against any sums owed to the concerned beneficiary by the Agency or the Commission, after informing him accordingly by registered letter with acknowledgement of receipt or equivalent, or by calling in the financial guarantee provided in accordance with Article II.15.1. In exceptional circumstances, justified by the necessity to safeguard the financial interests of the Union, the Agency and/or the Commission may recover by offsetting before the due date of the payment. The beneficiary's prior consent shall not be required.

- II.18.4 Bank charges occasioned by the recovery of the sums owed to the Agency shall be borne solely by the concerned beneficiary.

- II.18.5 The beneficiaries understand that, under Article 299 of the Treaty on the functioning of the European Union, the Commission may adopt an enforceable decision formally establishing an amount as receivable from persons other than States. An action may be brought against such decision before the General Court of the European Union.

ARTICLE II.19 - CHECKS AND AUDITS

- II.19.1 The co-ordinator undertakes to provide any detailed information, including information in electronic format, requested by the Agency and/or the Commission or by any other outside body authorised by the Agency and/or by the Commission to check that the action and the provisions of the Agreement are being properly implemented. Where the Agency and/or the Commission so wishes, it may request such information to be provided directly by a co-beneficiary.

- II.19.2 The beneficiaries shall keep at the Agency's and the Commission's disposal all original documents, especially accounting and tax records, or, in exceptional and duly justified cases, certified copies of original documents relating to the Agreement stored on any appropriate medium that ensures their integrity in accordance with the applicable national legislation, for a period of five years from the date of payment of the balance specified in Article I.5.
- II.19.3 The beneficiaries agree that the Agency and/or the Commission may have an audit of the use made of the grant carried out either directly by its or them own staff or by any other outside body authorised to do so on its or them behalf. Such audits may be carried out throughout the period of implementation of the Agreement until the balance is paid and for a period of five years from the date of payment of the balance. Where appropriate, the audit findings may lead to recovery decisions by the Agency.
- II.19.4 The beneficiaries undertakes to allow the Agency and/or the Commission staff and outside personnel authorised by the Agency and/or the Commission the appropriate right of access to sites and premises where the action is carried out and to all the information, including information in electronic format, needed in order to conduct such audits.
- II.19.5 By virtue of Council Regulation (Euratom, EC) No 2185/96 and Regulation (EC) No 1073/1999 of the European Parliament and the Council, the European Anti-Fraud Office (OLAF) may also carry out on-the-spot checks and inspections in accordance with the procedures laid down by Union law for the protection of the financial interests of the European Union against fraud and other irregularities. Where appropriate, the inspection findings may lead to recovery decisions by the Agency and/or the Commission.
- II.19.6 The Court of Auditors shall have the same rights as the Agency and/or the Commission, notably right of access, as regards checks and audits.
